Harry Reid

Nevada Senator/ Senate Majority Leader

Senator Reid's skilled leadership kept the Senate in Democratic hands in 2010 even as control of the House flipped – the first time that had happened in 80 years. Reid has presided over historic legislative victories, including health care reform, Wall Street reform, funding for highways, schools, and hospitals, tax relief, protections for retirees, and preservation of our natural resources.

Patty Murray

Washington Senator, DSCC Chair

Washington Sen. Patty Murray brings her able leadership to the Democratic Senatorial Campaign Committee after running a smart, aggressive and successful campaign of her own in 2010. Murray is a true fighter for America's working families and a Senate leader on health care, education, labor, the environment and veterans issues.
